MEMORANDUM

DATE: July 2, 2015
TO: Lexington Area MPO Transportation Policy Committee (TPC) and all TPC Subcommittees
FROM: Max Conyers, MPO Transportation Planning Manager/Executive Secretary
SUBJECT: Notification of Administrative Modification #12 to the FY 2013–FY 2016 Transportation Improvement Program (TIP) and Administrative Modification #8 to the 2040 Metropolitan Transportation Plan (MTP)

On July 2, 2015, The Lexington Area Metropolitan Planning Organization issued Administrative Modification #12 to the FY 2013 – 2016 TIP and Modification #8 to the 2040 MTP.

Administrative Modification #12:

This action updates the previously published documents and tables. These projects are being added or modified to the TIP classified as a Grouped Projects* (Transportation Alternatives Program and Transit Operating Equipment) which does not impact financial constraint of the document. The changes are:

- Table 6A – Fayette County Elementary School Zone Enhancements – add a Transportation Alternatives Program (TAP) funded project to improve school zone signage and pavement markings, flash beacons, speed signs and enhanced crosswalk markings at schools in Fayette County for FY 2015 (\$340,000)
- Table 6A – WHEELS wheel-chair accessible vehicles – purchase 7 vehicles with FTA 5310 funds for FY 2015 (\$303,000)

* The identification of Grouped Projects involves a commitment of additional funding by the project sponsor. The additional funding maintains financial constraint of these documents. A listing of Grouped Projects has been included in the TIP allowing planning process stakeholders and the general public to be informed of the types of potential projects that may be added to the TIP by Administrative Modification. TIP actions for these projects will not require additional public review, demonstration of fiscal constraint, or a conformity determination (if applicable).

An updated TIP page is attached. The Administrative Modification has been posted on the MPO website at www.lexareampmo.org Please contact me if you have any questions.
